MEMORIAL CANDLES

The SmartLite Candles are designed with the latest microchip technology and are very simple to use.

MEMORIAL Candle - mode allows a candle to be lit for an elongated time period. The MEMORIAL candle can be offered in memory of a deceased loved one or simply dedicated on behalf of a family or as a special thanksgiving. A memorial label is placed on the candle cover to indicate the purpose.

Parishioners can purchase a MEMORIAL candle on a monthly or annual basis that will burn for either the month or for year. If submitted **after** the first week of the month, the MEMORIAL candle will begin the following month and last for 30 days or longer as indicated.
