A Message from our Pastor

Dear People of St. Patrick Parish,

As we gather for Mass today, we remember last week, we reflected upon the day we were Baptized and what that means as we go about our lives.

As we gather today, we reflect upon the gifts we received from God on the day of our Baptism and also as we received the Sacrament of Confirmation. Each one of us has received gifts from the Holy Spirit to help us on our journey to Heaven, hopefully.

Parents, grandparents, godparents have the gift of passing on the Catholic Faith to their family and even more important, the duty to teach and help their family to practice their Catholic Faith.

This gift is often in sending the children to Catholic Schools or to enroll and provide Faith Formation classes for them which means you get them to the classes.

Teachers are needed both in our Catholic Schools, but also in our Faith Formation, Youth Ministry classes and activities. We need you to use your gifts, to help teach and form our youth.

Children have the use of the gifts of being altar servers, singing in the choir, ushers, lectors and by the way, we adults are also needed to use our gifts in these ministries.

Let us pray about our gifts and find ways to use them to help lead others to Christ.

The Gospel has Jesus work His First Miracle at the Wedding Feast of Cana. Mary told Jesus, "They have no wine," it had run out and she trusted that Jesus can and will help this young couple by working a miracle, and He did.

In working this miracle, Jesus shows His love, compassion and caring and He is still doing these things for us today.

Let us pray for our brothers and sisters who are affected by the fires in Los Angeles, that they will put faith and hope that God will help them in these difficult days.

God Bless ,
Fr. Larry Young
Your Pastor

Catholic School's Week 2025 - "Catholic Schools: United in Faith and Community"

Starting January 26th, we will be celebrating Catholic Schools Week 2025. This year's theme: "Catholic Schools: United in Faith and Community" focuses on how Catholic schools have an irreplaceable role in the Church's evangelizing mission. Building on the central goal of Catholic schools to form saints, Catholic schools teach and embrace the whole person, body, mind and spirit. The fact that all members of a Catholic school community share the Christian vision of faith that Christ is the foundation of Catholic education is what unites the school as a faith-filled community. Catholic school communities expand beyond the walls of school buildings to envelop the family as an integral part of the school community. Together teachers, administrators, staff, students and parents fuel the light of faith by integrating culture with faith and faith with living.

This year's CSW logo symbolizes the united community of Catholic schools - not a building or an institution, but people of faith serving God and others. No Catholic school can fulfill its educational role alone. As a community, Catholic schools are nourished and stimulated by the centrality of the word of Christ expressed through knowledge, service, scripture and sacramental tradition.

At Saint Patrick School, we are proud of our 68 year tradition of serving the Rodeo/Hercules/Crockett communities and offering students an academic and extra-curricular program that builds well-rounded, faith-filled young men and women. From one-to-one technology to an award winning performing arts program, from rigorous academics to a caring and nurturing community, Saint Patrick School offers something for everyone.

Please join us for our annual **Open House** on Sunday, January 26th from 10:30 am-noon. Please see our website to apply for Infant Care, Preschool, PK, and Kindergarten through 8th grade. If you know of anyone with babies, preschoolers, or school age children who would be interested in attending our school please let them know to check out our website and apply today.
